Welcome!

Take a moment to compete the Connection Card in the seat back in front of you. Place your Connection Card in the offering boxes located by the door. If you have children we’ve prepared a special place for them. Our children’s programs are safe, nurturing, fun and provide a much happier experience than your child will have in the adult service. See a greeter for assistance in getting your child to the age-graded program created just from them! We have a wonderful welcome gift that we would like for you to pick up at our information booth.
